🌐 shreekarakulkarni.com

Product Manager with a design-led approach, specializing in 0→1 product development, cross-functional leadership, and business strategy. Leverages a background in interior architecture and UX to create holistic, user-centric experiences that bridge physical space and digital products.

📁 WORK EXPERIENCE

Product Manager (Growth)

October 2024 – January 2026

GATE

Berlin, Germany

German Academy for Technology and Entrepreneurship

- Owned the full growth system from ICP definition and outreach strategy to activation and conversion.
- Ran discovery interviews, webinars, and live qualification sessions to refine targeting and sharpen messaging.
- Designed A/B tests and retargeting flows that improved enrolment quality and reduced wasted outreach volume.
- Built KPI dashboards in HubSpot to track pipeline health, campaign performance, and follow-up cadences.
- Managed 6,000+ leads across email and CRM, lifting overall funnel conversion to 20%.

Intern Product Manager, Growth and Acquisition

March 2024 – September 2024

Taskera (by Moyyn)

Berlin, Germany

Recruitment-tech platform improving skill-development programs

- Improved acquisition and onboarding flows, contributing to an 18% increase in program enrolments.
- Built HubSpot automations that reduced manual follow-up tasks by 30%, freeing the team for higher-value outreach.
- Led user research and market analysis to help align sales, marketing, and product around one shared pipeline view.

Working Student, Product Marketing and Launch Operations

July 2023 – February 2024

GATE

Berlin, Germany

Early-stage EdTech start-up.

- Launched 15 technical courses in two months, owning GTM planning, persona definition, and rollout execution end-to-end.
- Managed outreach and interactions across 6,000 leads, coordinating cadences across email and CRM.
- Streamlined handoff workflows between marketing, ops, and delivery teams, cutting process bottlenecks by 15%.

PROJECTS

Startup Now Program

May 2026 – Present

Startup Incubator Berlin

- Validated product direction through lean sprint methodology and end-of-sprint user feedback
- Strengthened founder practice through structured iteration and ecosystem exposure
- Built confidence in moving from idea to a validated, evidence-backed direction

Rotary Youth Leadership Awards

May 2026

Rotary Club Hoorn

- Worked on a live management challenge and pitched a 3-day action plan.
- Managed rotating leadership, jury feedback, and crisis scenarios in a multicultural team.
- Gained exposure to the Dutch ecosystem

Lean Start-Up Sprint

April 2026 – May 2026

Startup Incubator Berlin

- Applied lean startup methods to test hypotheses, interview users, and refine an early-stage idea.
- Built a structured approach to experimentation, prioritization, and rapid iteration.
- Translated customer insights into sharper positioning and go-to-market decisions.
